

UNITED STATES DISTRICT COURT

for the DISTRICT of MASSACHUSETTS

Sirma Barros Simon-Prisseux Kergarot-Benglen Plaintiff

George W. Bush, Jr. Defendant

Nature of suit : abuse of executive power to cause physical and emotional pains conducive to death and embezzlement by fraudulent means

Description of cause : Let us come first the fortitude of the in their complexity.

1. Myself, I bring this U.S. Court personal testimony of having been raped by means of force while asleep and in a state of profound exhaustion, by Malcolm D. Foriega who I am divorcing. Foriega seeks rough sex only, exclusively when he becomes a compromise.
2. Also, I bring testimony of sexual incest between father and older daughter, Dominique Duois. Replicating with little sur the lifelong between my ex-husband and his father.
3. With reference to my original Affidavit of Divorce and Child Custody published by Courtat-Lex at: <http://people.star.net/~norbar/courtat-lex.htm>.

3. cont'. Malcolm D. Soriega sustains an illegal second couple with prostitute Rachel Scott, who rents the 2nd floor of the Barnum street rental property abutting 46/48 Barnum street owned by Soriega and Barroso. Per Soriega's account, this second couple initiated sexual intercourse during the month I visited my parental family in Buenos Aires (Argentina) between Christmas 1999 and January 20th of 2000.

Malcolm Soriega took the public excuse of his mother Alicia Soriega pass-away to exert incommensurable cruelty against me and our daughters. Soriega was not healthy in his mind when he jumped into open sex with a prostitute. When I made it clear to him, over the phone, I was not flying on January 2nd 2000 to provide my own father Victor Barroso with TLC after a delicate surgery, Malcolm Soriega had a wrath typical of a mentally ill.

4. His sustaining a double life, had a devastating effect on our marriage and on his mental health. Soriega turned himself more and more violent in dealing with me a couple of hours every day of the week. He sought no medical assistance of any kind.

5. Myself, I sought to reside in France with my two daughters given the degree of rejection I suffer in the U.S.

Instead of receiving the money to buy a real estate and my daughters, the United States punished me and my daughters with infinite cruelty during the time I was actually in France, from October 1<sup>st</sup> 2003 and March 8<sup>th</sup> 2004.

6. By now there is overwhelming proof myself, Simon ~~Barroso~~ Simon-Brisoux Kergaravat-Benglen, I am not a person but an angel of God. Specifically, I am a seraphim and hence my true nature is divine. Furthermore, last miracle on March 8<sup>th</sup> 2004 while on IBERIA flight IB 6275 Madrid to Chicago let me know for the first time the Sovereign Savior <sup>has</sup> invested me with the sacred power of Virgin Mary as well. In mid-Atlantic the IBERIA plane was struck by a sudden shock of high turbulence, shortly after I saw a vision of five white angels along the right wing of the airship ready to rescue me to the <sup>heavens</sup>. As per immortality, I already resuscitated one time following RIGOR-MORTIS in medical terms in DR. Prieto's (Jorge) office, Capital Federal, Argentina in 1991.

7. The Lord's will so far remains: ESTADOS UNIDOS as the Sovereign Savior ordered me in a clear voice one day before graduating from Chemical Engineering in Buenos Aires, Argentina. That is, before 1987. So precision here.

Portraiture of ABUSE of power, killing conditions, and embezzlement.

The United States of America got my Divorce Affidavit with written testimony of the degree of danger of fellow Noriega, which warrants arrest and later execution.

President George BUSH Jr. makes the move in agreement with Governor Mitt Romney to:

1. empower Malcolm Noriega through a Harvard-minded software firm in Belmont, Business Forecast Systems, under a fraudulent professional status of 'Senior Software Engineer' paying \$ 70,000.00 per year. Noriega is offered the job one week before the May Fourth apparition in MAGNOLIA (Malcolm was that Saturday in San Francisco to attend a training seminar only days after he had had burst of DEMENTIA before official witnesses that ...)

2. President George BUSH Jr. agrees to appoint Ralcolm Boriego as the sole custodian or guardian of Dominique Lucia and Christiane Gabriela in an irrational move.

President BUSH abuses executive power and incinerates my testimonies of HORROR against Ralcolm Boriego.

This is very painful in my heart.

So instead of arrest and execution of Ralcolm Boriego, he gets:

- \* custody
- \* a salary of \$70 K
- \* an Anglo-american mistress
- \* full use of joined capital, over \$1 M
- \* the respect and admiration of the U.S.

3. The United States of America denies me an allowance of \$5 K or \$10 K to afford minimum expenses in Caen between October 1<sup>st</sup> and January 4<sup>th</sup>, and then in Lyon between January 5<sup>th</sup> and March 5<sup>th</sup>, despite all my emergency calls for HELP. This caused excruciating pain.

3. cont. President BUSH JR. caused excruciating pain, day and night, depriving me of a tiny fraction of the five millions Malcolm Xoriega owes me for my life.

The U.S. issued another Restraining Order with full-blown hatred until November 2004.

President George BUSH JR. not only does not respect at all my divine nature, but also he ordered an arrest, even if illegal, upon my arrival in my property at 93 Pine Street, Manchester-by-the-Sea, Massachusetts 01944. Since my arrival in Massachusetts President BUSH keeps me WITH NO MONEY and HOMELESS.

little food

no heating

President BUSH deserves EXECUTION and EXECUTION ONLY for recreating the physical and non-physical pains and punishments of a Nazi concentration camp.

This being my cause signed under the pains and penalties of perjury.

Very Truly Yours,

Steven Barroso

Doctorate degree in Molecular Biology with GLORY, 2003  
Postgraduate Chemical Engineering on Polymers Industries  
Chemical Engineering, University of Buenos Aires, 1987
